

SAFE DRINKING WATER CERTIFICATE

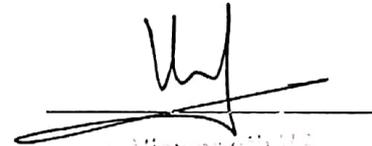

Date: 28/12/19

The water samples under GE Lansdowne were tested by Er Yashbir Mall, Executive Engineer (North) & Lab In-charge, State Level Water Quality Testing and Monitoring Laboratory Dehradun, Uttarakhand on 14 Nov 2019 and found the water supplied is fit for drinking purpose. It is certified that the same water is being supplied to APS Lansdowne and it is fit for drinking purpose by students and all members of the institution.
